ORDER GRANTING MOTION TO SUSPEND

By motion filed on June 28, 2002, Wahoo Broadband, LLC ("Wahoo" or "Applicant"), pursuant to 5 VAC 5-20-230 of the Commission's Rules of Practice and Procedure, requests that the State Corporation Commission ("Commission") suspend any action on the above-captioned proceeding until July 31, 2002. Wahoo also requests that, at such time, the Commission establish a new procedural schedule to conform to its requested suspension period.

In support of its request, the Applicant states that Wahoo is currently negotiating a transaction with another entity that could impact its ownership structure. Applicant represents that such suspension is necessary to permit Wahoo, its parent, and the potential participant in the transaction to determine whether that transaction will include ownership of Wahoo and/or ownership of its parent.

In addition, Wahoo states that if the transaction includes an ownership change, Wahoo will work with the Commission's Staff to determine whether it should amend its current application or withdraw that application and refile another application.

NOW THE COMMISSION, having considered the matter, is of the opinion that Applicant's request to suspend the above-captioned proceeding should be granted. We will suspend this proceeding until July 31, 2002, including the procedural schedule established in our Order for Notice and Comment dated June 11, 2002.

Accordingly, IT IS ORDERED THAT:

(1) Wahoo's Motion to Suspend is hereby granted.

(2) Any action on the above-captioned proceeding is hereby suspended until July 31, 2002, including the procedural schedule established in the Commission's Order for Notice and Comment dated June 11, 2002.
